Through TES, UC evaluates data as a service for participating California public schools and districts to determine student progress toward meeting the eligibility requirements for the California's public systems of higher education. UC will implement a cloud-based data warehouse and visualization solution with data provided by SUBSCRIBER, that they, their designees and other authorized parties can securely access. UC will provide annual regional training and referrals to implementation support services as requested. UC will provide professional services hours as detailed below.

2. Fees, Expenses and Invoicing

The Fee Schedule is set forth in Table 1 below. UC will notify SUBSCRIBER if circumstances arise that would result in additional fees before commencing such work.

SUBSCRIBER agrees to prepay for the products and services listed in table 1, below. UC will invoice SUBSCRIBER in full once the SOW is signed by both parties.

UC will complete the implementation and training work on flat fee basis (see Table 1 for costs). SUBSCRIBER understands that the estimate of time is not a guarantee, and that the estimate is based, in part, upon SUBSCRIBER's availability and requirements outlined at commencement of work. If the total fees and costs exceed the estimated amount, UC will request approval in writing from the SUBSCRIBER. Once approved by SUBSCRIBER, the SUBSCRIBER will also be billed for expenses subject to SUBSCRIBER's customary expense policy.

Upon payment of the annual subscription fee as detailed in Table 1 below, UC will provide the hosting services, web services, and Tableau services needed for SUBSCRIBER staff to access UC TES secured webpage, that include reports, for the length of the subscription period. UC reserves the right to change the pricing model for subsequent years with a 90 day notice to SUBSCRIBER.

In addition to the work specified below, upon request UC will provide referrals to college preparation program support for your implementation and training needs. Programs may assess a fee for providing these services to help offset the costs to deliver these services. These prices are set independent of the TES administration at the UC Office of the President. Schools should inquire with their regional TES school engagement representative to learn more about programs available in your area. SUBSCRIBER
