

What is the Transcript Evaluation Service (TES)?

Program Description

- Evaluates student academic records to determine UC and CSU eligibility status.
- Two levels of evaluation: a) automated evaluation performed by UC's proprietary algorithm, and b) subsequent manual evaluation performed by a UC trained evaluator.
- Includes all 9th – 12th graders at a school.
- Courses are verified again UC's Course Management Portal (CMP), the authorized database of all approved A-G coursework.
- Evaluation variables include all applicable subject area validations (including by test score), dual enrollment courses, out of district coursework.

TES Users

- Teachers and Counselors
- District and School Administration
- District/School Authorized Outreach Programs

Participating Schools in TES see the following results:

- ✓ **Two consecutive years = 10% increase in CSU & UC eligibility**
- ✓ **Four consecutive years = 32% increase for CSU & 22% increase for UC eligibility**
- ✓ **A-G completion rates = 36% increase after four years**
- ✓ **UC applications rates at all TES schools and districts increase in relative to time in TES Program**

Support Services

- Assistance with course listing data alignment to CMP.
- District/School staff training
- Implementation resources
- Designated UCOP staff to assist with questions and/ or data issues.

Reports

- Student Reports
- Student Rosters
- School Summary Reports
- District Summary Reports

All reports are available in interactive online or hard copy versions.

Program Cost

School Outreach Program	Fee
EAOP, MESA, PUENTE	No Charge
Cal-SOAP, AVID, TRIO, Talent Search,	\$2.25/student
No UC/CSU Outreach Program	\$3.25/student

Data Upload Timelines

	FALL	SPRING
Data Upload:	July-October	January-March
Reports Available:	September-November	February-April
Data Includes:	Completed coursework from prior school years	Completed and in-progress coursework from current school year.
