

**Calexico Unified School District  
K-6 Professional Development Proposal  
Spanish/English Bi-literacy Transfer (SEBT) Implementation Support  
2017-2018  
(12 days)**

**Phase 1: Conduct SEBT Classroom Walk-Throughs (1 day)**

The curriculum coordinator will facilitate 2 (.5 day) walk-through sessions with district office staff, site administrator and AST for each identified SEBT classroom to gather insight on the degree of implementation of SEBT strategies. A debrief meeting will conclude each session to discuss observations and plan next steps for professional development and support. A SEBT survey will be sent to all participating teachers to gather their input on SEBT support they would like to focus on.

**Phase 2: SEBT Review (2 day)**

The curriculum coordinator will deliver 2 SEBT review training sessions and focus on key strategies identified through the walk-through and survey process. The SEBT training sessions could be calendared and delivered separately.

**Phase 3: SEBT Capacity Building: Lesson Planning (4 days)**

The curriculum coordinator will facilitate SEBT guided lesson planning sessions with participants. During these sessions participants will prepare lessons, materials and partner practice delivering SEBT lessons. The guided lesson planning sessions will be calendared separately throughout the school year.

**Phase 4: SEBT Capacity Building: Lesson Delivery/Debrief (4 days)**

The curriculum coordinator will facilitate SEBT lesson delivery sessions with participants. Participants will each deliver, observe and debrief a SEBT lesson prepared during Phase 3. The lesson delivery sessions will be calendared separately throughout the school year.

**Phase 5: Conduct SEBT Classroom Walk-Throughs (1 day)**

The curriculum coordinator will facilitate 2 (.5 day) walk-through sessions with district office staff, site administrator and AST for each identified SEBT classroom to gather insight on the degree of implementation of SEBT strategies after Phases 2-4. A debrief meeting will conclude each session to discuss observations and plan next steps.
