

**RESOLUTION NO. \_\_\_\_**

**RESOLUTION OF THE BOARD OF TRUSTEES  
OF THE CALEXICO UNIFIED SCHOOL DISTRICT  
AUTHORIZING CONTRACT FOR PURCHASE OF SCHOOL BUS PURSUANT TO PUBLIC  
CONTRACT CODE SECTION 20118**

**WHEREAS**, the Calexico Unified School District ("District") seeks to purchase one (1) school bus ("Vehicle"), as identified in **Exhibit "A"** attached hereto;

**WHEREAS**, pursuant to Public Contract Code section 20111, a school district is required to competitively bid "[t]he purchase of equipment, materials, or supplies to be furnished, sold, or leased to the district," that exceed \$92,600 in 2019;

**WHEREAS**, Public Contract Code section 20118 is an exception to this requirement and states:

Notwithstanding Sections 20111 and 20112, the governing board of any school district without advertising for bids, if the board has determined it to be in the best interests of the district, may authorize by contract, lease, requisition, or purchase order, any public corporation or agency, including any county, city, town, or district, to lease data-processing equipment, purchase materials, supplies, equipment, automotive vehicles, tractors, and other personal property for the district in the manner in which the public corporation or agency is authorized by law to make the leases or purchases from a vendor. Upon receipt of the personal property, if the property complies with the specifications set forth in the contract, lease, requisition, or purchase order, the school district may draw a warrant in favor of the public corporation or agency for the amount of the approved invoice, including the reasonable costs to the public corporation or agency for furnishing the services incidental to the lease or purchase of the personal property, or the school district may make payment directly to the vendor. Alternatively, if there is an existing contract between a public corporation or agency and a vendor for the lease or purchase of the personal property, a school district may authorize the lease or purchase of personal property directly from the vendor by contract, lease, requisition, or purchase order and make payment to the vendor under the same terms that are available to the public corporation or agency under the contract.

**WHEREAS**, the District wishes to purchase the Vehicle by utilizing an existing contract between a public corporation or agency and a vendor;

**WHEREAS**, the Waterford Unified School District ("WUSD") published a notice to bidders on or about September 30, 2016, obtained a bid from A-Z Bus Sales, Inc. ("Vendor") for the purchase of new school buses, and awarded a fixed-price contract to Vendor on or about November 10, 2016 ("Piggyback Contract"), which the WUSD subsequently extended through December 31, 2019;

**WHEREAS**, the Piggyback Contract included a provision, pursuant to Public Contract Code section 20118, allowing other public agencies, including the District, to purchase the Vehicle from the Vendor under the same terms and conditions of the Piggyback Contract; and

**WHEREAS**, the District staff has researched the costs and terms of the Piggyback Contract and believes that the prices under the Piggyback Contract are reasonable and that

it is in the best interests of the District to utilize the Piggyback Contract to purchase the Vehicle from Vendor.

**NOW THEREFORE**, the Board of Trustees of the Calexico Unified School District hereby finds, determines, declares, orders, and resolves as follows:

1. That the foregoing recitals are true.
2. That the Board of Trustees hereby declares that it is in the best interests of the District to purchase the Vehicle from Vendor via the Piggyback Contract.
3. That the Board of Trustees hereby authorizes the District's Superintendent and/or designee to take all further action necessary to otherwise carry out, give effect to, and comply with the terms and intent of this Resolution.

**ADOPTED AND APPROVED** by the Board of Trustees of the Calexico Unified School District this 21<sup>st</sup> day of November 2019, by the following vote:
