2. PROPOSAL GUIDELINES

1. Request For Proposal

The Calexico Unified School District (District), is issuing a Request for Proposal (RFP) for Security Patrol Services.

2. Scope

The District is seeking Contractor to provide Security Patrol Services for school and administrative sites throughout the Calexico Unified School District. These services are described in the Specification Section of this Request for Proposals.

Firms or individuals submitting a response to this RFP shall provide the District with a detailed description of the work that will be completed and other information as requested in this RFP.

3. District Information

The Calexico Unified School District is located in the Imperial Valley County, California. The District operates one high school (10th thru 12th), one 9th grade campus, two junior high schools, seven elementary school sites, one adult education school, and multiple administrative buildings throughout the City of Calexico. The District serves approximately 9241 students and is the largest school district in the county.

4. Proposal Due Date

Proposals shall be submitted to Cesar L. Vega, Assistant Superintendent of Business Services, 901 Andrade Avenue, Calexico, CA 92231, on or before 12:00 pm on December 17th, 2018. The Proposer shall submit their Proposal in a sealed envelope prior to the deadline and to the address noted on the cover of this RFP.

5. Term of Contract

Any agreement awarded from this RFP is for one (1) year starting on January 1, 2019, through December 31, 2019. Thereafter, the Agreement may be extended by the Board on a yearly basis for an additional two (2) years up to December 31, 2021.

6. Rejection of Proposals

The Board of Trustees reserves the right to reject any and all proposals.

7. Mandatory Documents

This RFP requires the mandatory completion and submission of the following documents. Please provide one (1) original copy on paper.

- i. Cover letter
- ii. Proposal Form
- iii. Statement of Qualifications and attachments in response to listed required information
- iv. IRS W-9 Form (Taxpayer Identification Number)
- v. Entire Proposal Submittals:

1. One (1) original, three (3) copies and an electronic/digital copy recorded on a CD or thumb drive of the firm's proposal in response to this request must be submitted prior to the deadline to submit proposals for evaluation.

8. Statement of Qualifications

In addition to the required "Statement of Qualifications" form, firms or individuals may submit additional information related to their qualifications. The Board of Trustees is interested in securing the services of an organization which has demonstrated high-level experience for California school districts.

9. Independent Contractor

While performing services hereunder, the Contractor is an independent contractor and not an officer, agent, or employee of the District.

3. OTHER GENERAL REQUIREMENTS

1. Equal Opportunity

The Calexico Unified School District is an equal opportunity employer/program and is committed to an active Nondiscrimination Program. CUSD does not discriminate on the basis of race, color, national origin, sex, sexual orientation, ethnic group identification, ancestry, religion, gender, and gender-identification, mental or physical disability. For more information, please contact the Assistance Superintendent of Business Services, 901 Andrade Avenue, Calexico, CA 92231.

2. Error and Omissions

If a Contractor discovers any ambiguity, conflict, discrepancy, omissions, or other error in the RFP, the Contractor shall immediately notify the District of such error in writing and request clarification or modification of the document. Modifications will be made by addenda. Such clarification shall be given by written notice to all parties who have been furnished an RFP for quoting purposes, without divulging the source of the request for same. Insofar as practicable, the District will give such notices to other interested parties, but the District shall not be responsible therefore.

If a Contractor fails to notify the District, prior to the date fixed for submission of proposals, of an known error in the RFP, or an error that reasonably should have been known, the Contractor shall quote at his own risk; and if awarded the contract, the Contractor shall not be entitled to additional compensation or time by reason of the error or its later correction.

The Contractor should carefully examine the entire RFP and any addenda thereto and all related materials and data referenced in the RFP or otherwise available and should become fully aware of the nature and location of the work, the quantities of the work, and the conditions to be encountered in performing the work.

3. Contact for Information

Contractor may contact the Calexico Unified School District, Assistant Superintendent of Business Services, Mr. Cesar L. Vega, at cvega@cusdk12.org to obtain any information needed.

4. Contractor Agreement/Form of Agreement

In compliance with this request for proposal, the Contractor will propose and agree to furnish all labor, materials, transportation, and services for the work described and specifications and for the items listed herein.

5. Contractor Signee

If the Contractor is an individual or an individual doing business under a firm name, the quote must, in addition to the firm name, be signed by the individual; if the Contractor is a partnership, the quote should be signed with the partnership name by one of the partners; if a corporation, it should be signed with the name of the corporation by an officer authorized to execute a quote on behalf of the corporation.

6. Contractor's Understanding

It is understood and agreed that the Contractor has, by careful examination, satisfied her/himself as to the nature and location of the work, the character, quality and quantity of the materials to be encountered, the character of equipment and facilities needed preliminary to and during the prosecution of the work, and general and local conditions, and all other matters which can in any way affect the work under this contract. No verbal agreement or conversation with any officer, agent or employee of the District, either before or after the execution of this contract, shall affect or modify any of the terms or obligations herein contained.

7. Assignment and Subcontracting

The Contractor shall **not** assign or **subcontract** the work, or any part thereof, without the previous written consent of the District, nor shall the Contractor assign, by power of attorney or otherwise, any of the money payable under this contract unless written consent of the District has been obtained. No right under this contract, nor claim for any money due or to become due hereunder, shall be asserted against the District, or persons acting for the District, by reason of any so-called assignment of this contract or any part thereof, unless such assignment has been authorized by the written consent of the District. Nothing contained in this contract shall create any contractual relation between any Contractor and the District.

8. Indemnity and Insurance

The Contractor shall indemnify and hold harmless the District from and against all losses and all claims, demands, payments, suits, actions, recoveries, and judgments of every nature and description brought or recovered against it by reason of any act or omission of the said Contractor, Contractor's agents, or employees of the contracting firm in the execution of the work or in consequences of any negligence or carelessness in guarding the same.

The Contractor shall carry errors and omissions insurance in an amount not less than one million dollars (\$1,000,000.00) and shall furnish the District with a certificate evidencing such coverage.

9. Disposition of Proposals

All materials submitted in response to this RFP will become the property of the District and will be returned only at the District's option and at the Contractor's expense. The original copy shall be retained for official files and will become a public record after the date and time for final quote submission as specified. Confidential financial information submitted in support of the requirement will be returned upon request.

10. Fingerprinting

The Contractor acknowledges that Education Code Section 45125.1 applies to contracts for the provision of janitorial, administrative, landscaping, transportation, food-related, and any similar services. Section 45125.1 requires that employees of entities providing such services to school districts must be fingerprinted, and their fingerprint cards must be submitted to the California Department of Justice for a criminal records check. The Contractor is required to fulfill this requirement at its expense. No such employee may be permitted to come in contact with pupils until the records check is completed.

11. Award Evaluation Criteria

Evaluation criteria that will be used to evaluate all proposals that are received are listed below:

- i. Qualifications and availability of key persons to be assigned to the contract resulting from this solicitation.
- ii. Number of years of experience your firm has in this type of business.
- iii. Demonstrated competence in relative experience.
- iv. Experience in performance of comparable work.
- v. Conformance with the specifications of this RFP.
- vi. Costs/Fees and References

Rating Matrix	Score	Maximum Score
1. Completeness of RFP Response		20
2. Qualifications of Team		10
3. School Security Experience		20
4. Security Implementation Plan		10
5. References Review		10
6. Cost to District for Services		30

The District may also contact and evaluate the firm's references; contact any vendor representative to clarify any response; contact any current users of the firm's services; solicit information from any available source concerning any aspect of a proposal; and seek and review any other information deemed pertinent to the evaluation process. The District and Board of Education shall not be obligated to accept or recommend the lowest priced proposal, but may make an award in the best interest of the District.

Discussions may, at the District's sole option, be conducted with responsible representatives who submit proposals determined to be reasonably susceptible of being selected for an award. Discussions may be for the purpose of clarification to assure full understanding of, and responsiveness to, the solicitation requirements. Firms shall be given fair and equal treatment with respect to any opportunity for discussion and written revision of proposals. Revisions may be permitted after submissions and before award for obtaining best and final proposals. In conducting discussions, the District will not disclose information derived from proposals submitted by competing firms.

12. Award Selection Process

Selection of qualified firm(s) will be based on the criteria stated above and the following: 1) Quality and Completeness of submitted proposal; 2) Understanding of objectives; and 3) Project approach.

Additional questions may be asked of firms and interviews may be conducted.

**SECURITY PATROL SERVICES
SPECIFICATIONS**

Calexico Unified School District (CUSD) is seeking proposals from firms with a strong background and experience in school security and safety assessments. The successful firm will be selected based on its overall qualifications, quality and alignment of their proposed security assessment plan with district needs, and their cost proposal. Finalists will be required to participate in a final selection interview.

Scope of Services:

Conduct on site assessments and evaluate vulnerabilities associated with physical security and emergency preparedness at each of the school and administrative locations. The site assessment should be comprehensive and include a 360 degree examination of the site, its practical functions, and its surroundings. Identify both best practices used by the site and any deficiencies related to safety and emergency preparedness identified during the site assessment.

Security evaluation at each site should include at a minimum the following:

1. Environmental - conduct a full examination of the area surrounding the facility to determine any threats that may exist in the area surrounding the facility. This would include neighboring facilities, roadways, ingress and egress routes, crime trends, sex offenders, and a variety of other regionally impactful threats.
2. Exterior - examine the exterior of the site to determine any weaknesses or deficiencies in external security features. Identify external features that can affect emergency response and overall preparedness. This would include lighting, parking, perimeter fencing, glass and windows, doors, exterior access control, and a variety of other exterior design features that can affect safety, security and preparedness.
3. Interior - Complete an intensive examination of the interior of each facility to include access control, doors and locks, glass, entrance security, security cameras and an examination of all interior related safety and security design features.
4. Policy and Procedure/Operations - Thoroughly examine all relevant policies and procedures that relate to safety, security and overall preparedness. This will include observation of critical elements of the organization to ensure the features and policies and procedures are in alignment.
5. Equipment/Training - Review the organizations training programs, drills, and examine all safety and security related equipment. This would include emergency kits, medical equipment, CCTV, and other relevant safety and security items.
6. Timelines – Security patrol services shall be provided based on the following schedules:
 1. Monday through Friday – 7:00 pm to 6:00 am
 2. Saturdays and Sundays – 24 hours
 3. Legal Holidays – 24 hours
 4. None-School Days – 24 hours
 5. Half-Day Scheduled Days – 1:00 pm to 6:00 am

The District has the option of changing schedule of hours or days without penalty provided the District gives Contractor at least three (3) day-notice.

District calendars and maps of sites will be provided during the mandatory conference and site-walk scheduled for December 7th, 2018, at 9:00 am.

7. Design – While not a specific deliverable in this RFP, discuss your ability to provide safety, security and overall preparedness guidance related to design, construction, and renovation related items to assist the District in any projects. How do you integrate with the design team and ensure budget and goals related to safety and emergency preparedness are maintained. Hourly rates or other pay structure for Design Services should be included in proposal for as a cost separate the sum provided for other work detailed in the Scope of Services.

Deliverables:

On Site Assessment – Describe your process:

1. Written Site Assessment Findings Report for each location. The report should include findings for each of the above areas, as well as actionable mitigations strategies. Recommendations should be consistent with the district's culture, school operations, and budget.
2. Separate district wide Assessment Report re: security camera recommendations particularly at those sites that do not currently have security cameras.
3. Both the Security Camera Assessment Report and the Site Assessment Findings Report are delivered within 3 weeks of completion of the onsite assessment in a draft format to be approved by the district prior to final submittal. Contractor must begin onsite assessment within 5 days of contract award and be completed not later than March 15, 2019. Final Written Site Assessment Reports must be submitted within 90 days from completion of onsite assessment.
4. Consultants must be able to appear at a meeting in person with stakeholders that could include Board Members, Administrators and the Public to discuss the findings of the site assessments and discuss any relevant mitigation and solution strategies that should be taken by the District.
5. Consultants must remain available for one (1) year following the completion of the project to assist the client with relevant questions regarding safety and security and questions arising from implementation of recommendations.
