# Our Solutions

## Website / CMS

Catapult CMS websites provide the perfect blend of power, flexibility and simplicity. Our Content Management System empowers anyone, from teachers to technology directors, to control, update and maintain website content.

- Beautiful Mobile Responsive Designs
- Easy Updates
- ADA Compliance
- Google Integration

## Mass Communication

Distribute important messages to your whole school community – right from your cell phone.

- News & Updates
- Activities & Event Notices
- Emergency Alerts
- Attendance Notifications
- Lunch Balance Notices

## Emergency Management System

With Catapult EMS, you'll develop a clear, centralized, cloud-based emergency communication plan to connect your teachers, sites, district and law enforcement in a crisis.

- Real-time Student Accountability
- Incident Reporting & Escalation
- District, Police & Fire Alerts
- Reunification of Students & Guardians
- Anonymous Tip Reporting

## District Branded App

Provide the core information parents need with our native mobile app, custom branded with your district identity.

- Announcements
- Staff Directory
- Event Calendar
- Push Notifications
- School Manager
